

# ESG SOLUTIONS FOR LAW FIRMS

With a growing focus on Environmental, Social, and Governance (ESG) issues throughout all industries, lawyers are asked to help transition into a greener economy while also walking the talk within their organizations.

We help law firms gain clarity on ESG and Sustainability to better assess and mitigate ESG risks, generate new business opportunities and future-proof their practices.

# TANGIBLE BENEFITS FOR YOU AND YOUR CLIENTS

- Know ESG's latest trends and industry best practices
- Build client trust
- Mitigate risks and future-proof your business
- Generate new business opportunities
- Engage your workforce and retain your best talent

# HOW CAN WE HELP?

*We offer bespoke solutions to your business and clients' needs.*

## **Tailored Training Programs for your Executive Team and Workforce**

- Master the ESG mindset, a critical competence your clients, suppliers, and employees are demanding.
- Get the confidence to discuss key concepts in business conversations with your clients.

## **Develop or Reinforce your Internal Sustainability Strategy**

- Improve performance in carbon emissions, Waste, Diversity and Inclusion, and other Sustainability metrics.
- Develop an Action Plan to integrate these Sustainability initiatives into your business strategy.

## **We partner with your firm to provide ESG/Sustainability comprehensive advice to your clients.**

- Expand your service to meet the needs of today's market.
- Include a lens of ESG into your legal services tailored to your clients' specific needs.

# WHY TBB?

01

## Experience

A unique combination of expertise in ESG and over two decades of combined experience in law, auditing, and accounting.

02

## Committment to Collaboration

We believe in collaboration and partnering with our clients as a fundamental tool to improving business outcome.

03

## Bespoke Solutions

We believe that ESG is a business imperative and the greatest growth opportunity.
